As the summer break begins, I wish each one of you a joyful and rejuvenating vacation!

Vacations are not just about rest; they are about balance — between play and learning, fun and reflection. I encourage all our students to make the most of this break by engaging in productive, creative, and meaningful activities.

- ❖ **Read daily** – let books be your best friends this summer.
- ❖ **Connect with nature** – water a plant, go for a walk, or just watch the sky.
- ❖ **Challenge your mind** – solve puzzles, try something new, or explore a hobby.
- ❖ **Learn a new life skill**- cooking, gardening, and organizing etc.
- ❖ **Spend Quality time with family without gadgets**– listen to stories, play board games and share meals.
- ❖ **Health is Wealth**-Practice yoga or physical activity daily.
- ❖ **Make a Gratitude Diary** – write one thing you're thankful for each day.

Stay safe, stay curious, and take care of your health. We look forward to welcoming you back with renewed energy, fresh enthusiasm and countless stories.
